

Introductory events in English for first-year students in the WINTER SEMESTER 2025/26

Bachelor | Master | Teacher Education | Law

For a complete list of all introductory events
(including events in German) please check the
German version of this document.

Welcome to the University of Bayreuth!

Your studies will start shortly.
We look forward to seeing you!

First some useful tips:

- Stay current with updates in this programme (e.g. room details, date changes or online formats).
- You can find helpful information and tips on starting your studies on the [Student Advising website](#).
- Additional information, e.g. on prerequisite courses, can also be found on [the website of the Student Administration Office](#).
- Please also take note of any other events published on the website of your degree programme.
- You will find a campus map [on this page](#) to help you find your way around in the first few days.
